### Meeting Activities

**From Sue Zimitsch**

We played this game at Horner Park's Day Camp this past summer and the girls seemed to really like it. The girls stand in a circle and pass a bag of clothing around the circle while playing music or singing a song (along the lines of Hot Potato). Whoever is holding the bag when the music/song stops must take an article of clothing out of the bag and put it on. The uglier the clothing the better. You can include shoes, hats, scarves, etc.
